

# SEWER BOND VOTE Nov 5<sup>th</sup>

Our lagoon, in the past and presently DOES NOT MEET State & Federal Requirements.

**DON'T MISS THIS OPPORTUNITY TO VOTE ON THIS TIME-SENSITIVE BOND!**

**The City has worked diligently to secure the following when the Bond passes:**

- **Low interest loan of 1.75%** (from DEQ; current rate 4.6%)
- **We are on the list to receive \$243,000 (DEQ)**
- **We are on the list to receive 1.5 million over a 2 year period (\$750K/per year)**
- **Actively seeking another \$750K for 3<sup>rd</sup> year**
- **Passing this bond has NO EFFECT on property taxes. We have planned that the recent \$25/month sewer increase will hopefully cover the bond repayment.**

**Thank you and please**

**VOTE **
