

How to Navigate and Search the American Legal Publishing Code Library

The Code Library

American Legal Publishing provides free access to view and search more than 2000 municipal codes nationwide.

Getting Started

Access the **Code Library** from American Legal Publishing's home page (top right on the toolbar).

On the main page for the Code Library you'll find codes arranged by state.

Select a state to see the municipalities within each state.

Select the municipality from the listing to view the code.

Finding Content

Online code content is accessed through each municipality's overview page. Here you see how current the code is, the Municipality's contact address and a link to their website.

You can also

- view the table of contents for the code
- select the language you desire (Google Translate)
- see any other information available for this municipality (such as meeting minutes or previous versions of code available online.)

The screenshot displays the American Legal Publishing Corporation website interface. At the top, there is a navigation bar with a search icon, a login icon, a language selection dropdown, and a resources dropdown. Below this, a breadcrumb trail shows 'OH > Mayfield Heights > Overview'. The main content area is titled 'Mayfield Heights, Ohio' and includes a 'Code' section with a 'GET HELP' button. A 'City Website' section provides a link to 'http://www.mayfieldheights.org/'. A 'City Address' section lists 'City Hall, 6154 Mayfield Rd., Mayfield Heights, Ohio 44124'. A disclaimer at the bottom states that the code is for informational purposes only and should be consulted with the official printed copy. The footer contains a 'Back to Code Library' button, a 'Previous Doc' button, and a 'Next Doc' button.
