

20th ANNUAL GENESEE COMMUNITY WIDE YARD SALE
SATURDAY, AUGUST 10, 2024
8AM-2PM

The Genesee Civic Association is again sponsoring a Community Wide Yard Sale. The registration fee for this event remains at \$10. By registering your yard sale, it assures your location is shown on the map. This map is given to everyone as they enter Genesee for the sale, along with a brief description of what you are offering at your sale. The Civic Association handles all advertising, which includes ads in area newspapers, Social Media and more. The City Park will again be available for those who want to have their yard sale there, including those who live in the country and want to have a yard sale in town. You will need to provide your own table(s) at the park. In addition to the yard sale, we would like to encourage those who have home businesses with goods to sell such as candles and crafts, or musicians, clubs, classes, or groups and organizations who want to raise funds can participate as well. All are welcome. The \$10 fee applies to the park also.

Any questions, please contact **Mary Bielenberg, 509-336-1847** or mbielenberg@genesee-id.com

Please detach this registration form and return along with your \$10 registration fee by mail to Genesee Civic Association, P.O Box 71, Genesee, ID 83832 by **August 2nd** or drop it off at City Hall. Thank you.
