

# MARCH 2026

**Winter Weather Reminder:** With the recent snow the City would like to remind residents to please keep the City's right-of-ways and sidewalks clear. Our maintenance crew will be out plowing, and they need streets free of parked vehicles and garbage cans. If snow falls on a Monday, remember to remove your garbage can from the street as soon as possible after pickup.

Additionally, please keep your sidewalks clear of debris, snow, and overhanging branches. Maintaining safe, accessible walkways helps ensure pedestrians can travel safely without stepping into the street.

Thank you!

**A note from Genesee Civic Association:** Who is ready for the Community Easter Egg Hunt? Genesee Civic Association is ready to bring the fun again this year on Saturday, April 4th! There will be volunteer opportunities to help stuff eggs, hide eggs, distribute prizes, or help with clean-up. Further information on volunteering will be posted on the Genesee forum at a later date. All candy & prize donations may be dropped off at City Hall, The Pastime Restaurant or P1FCU.

We are so excited for Community Days 2026 – Small Town Roots – Big American Spirit!!! We need volunteers willing to donate a small portion of their day to make this a great celebration! Look for volunteer sheets posted around town for ways that you can get involved this year! There really is something for everyone throughout the weekend! It is all about YOU and for YOU!!

**AUDITION FOR THE MUSICAL “MARY POPPINS”:** A note from John Min Lee - My name is John Min Lee and I am involved with community theatres APOD (Moscow) and Troy Community Theatre (Troy). Presently APOD is casting their show, “Sound of Music” to be performed in June. In my four plus years of working with these theatres I have realized only a few from Genesee have participated in past productions. I found the main reason was transportation. Troy is having their auditions for “Mary Poppins” on March 13, 2026. I am going and if there is anyone else interested (ages 8 and up) you're more than welcome to ride out with me (I have room for 6 in my van). If you get a part in the show you can ride out with me to rehearsals and performances. PARENTS: for security and comfort reasons if your child is 8–15 years of age I would like to meet with you beforehand and discuss any concerns you may have. I am trying to do my best to not let transportation be the determining factor in allowing Genesee Talent to take the stage and entertain. Information about the Audition, a Pre-Audition Class, Rehearsal schedule and performance dates can be found at Troycommunitytheatre.com. I can also assist in helping you prepare for the audition and give pointers on acting, singing, set design and construction. As for me I live at 340 W Chestnut Street or call at 661-478-9224.

**Senior Projects:** It's the time of year to support our local senior class. Keep an eye out for opportunities to lend your support. There are lots of flyers posted around the community for further information.
